Cameron Ong | Senior
cameron262002@gmail.com

Hello there! My name is Cameron and I'm a fourth year majoring in MIMG (microbio), looking to go into research. If you understand my intro, you know that I'm a big Star Wars fan, but aside from that I dabble in rock climbing, lego building, trips to Disneyland, and cooking. And if we have a mutual love for ice cream and tacos, I think we'll have more than enough in common. In small group, I hope to grow alongside one another as brothers in Christ as we read the Bible and grow in wisdom. As of now, I am thinking about going through 1 Timothy or both Timothy's to learn about Christian living. If you are interested in my small group, reach out to me! I am more than happy to hang out with you! :D

I'm aiming to go through Romans or 2 Timothy, but am still flexible to any other suggestions as well! Aside from that, I'm a big fan of napping, playing the guitar, and cooking. Feel free to contact me through insta or Facebook!

Jonathan Tan | Senior

Hey all, I'm a fourth year studying mechanical engineering, but if you need help with school I am not the person to ask. Glad you're checking out sg, since it's such a beneficial means of growth for the Christian to grow deeper alongside other brothers in Christ. I am thinking of going through Ezekiel this year, but we'll see. Other than GOC, I sometimes enjoy cooking, climbing, reading, knives, and tetris. That's about it; if you have any questions or want to just chat, I'd love to get to know you better over some Rende. (Kidding).

Kyle Pak | Junior
kylepak2003@gmail.com

Hey guys! My name is Kyle. I'm a big sports fan, love the outdoors, listening to podcasts, and more recently have been reading more. I've switched around a lot during my first two years, but I'm a 3rd year business econ major.

I'm excited for what the year ahead has in store for all of us, and particularly in small group. I'm planning on going over Brad Klassen's Men's Series in Proverbs. Daily Christian living centers around applying Biblical truth to everyday situations, and I believe Klassen's series will help us think through, discuss and encourage both ourselves and others with God's wisdom.

Looking forward to meeting some of you guys! Hope the start to the school year goes well!

Mason Hardy | Staff
mason.hardy2000@gmail.com

Hi everyone! My name's Mason; I graduated UCLA in 2022 and am a middle school English teacher now. I enjoy hefty burritos, good music, and playing guitar.

I'm not sure what we'll be studying in my small group yet, but I'm so excited for the chance to dive into God's word together and be changed by it. There are so many things that take our attention and affection from Christ, and small group is the perfect place to ask real questions of ourselves and each other about how we can better pursue holiness, love, and contentment in Christ. Regardless of the leader, join a small group!!!! I'd love to hang out with you whether or not it's small group-related, so please reach out!:))

Tim Tie | Senior
timothy.c.tie@gmail.com

Hi, my name is Tim and I'm a senior studying cognitive science! I'm so glad you're thinking of joining a small group :) I don't have any set plans yet, but I do want to go over why we can and ought to believe in the Bible and some essential doctrines to living as a Christian, and then go through a book in the Bible. The hope is that we can live life together and help each other to grow in our knowledge and worship of Christ so we can live in a way that glorifies him! And whether or not you join my group, I'd love to hang out!
